## ***Everything Is Possible* by Jen Bricker hits *New York Times* bestseller list**

Born without legs, Jen Bricker inspires others to overcome; tells inspiring, true story of beating all odds with faith and a can-do attitude

**GRAND RAPIDS, Mich., October 7, 2016**—Baker Books announced today that *Everything Is Possible: Finding the Faith & Courage to Follow Your Dreams* (September 2016) by Jen Bricker is a *New York Times* bestseller appearing on the October monthly Sports list.

The book launched in early September with major national media including interviews and coverage with *PEOPLE Magazine*, *US Weekly*, *ESPN*, *Inside Edition*, *FOX & Friends*, *Hallmark Home & Family*, *Parade*, *AOL*, *PopSugar*, *Life Today with James Robison*, *Daystar* and much more.

Born without legs and with her heart on the opposite side of her chest, Jen Bricker’s biological parents gave her up for adoption. With the love and acceptance of parents who mandated one simple rule, “Never say ‘can’t,’” Bricker quickly flourished, becoming an unstoppable force determined to master anything she set her mind to. In *Everything Is Possible*, Bricker tells of her inspiring journey to overcome every challenge she faced, fulfill God’s plan for her, and the surprise of a lifetime when she discovered Olympic gymnast Dominique Moceanu to be her biological sister.

“Everything is possible,” writes Bricker. “That’s my favorite Bible quote from Mark 9:23: ‘Everything is possible for the person who believes.’ See it, believe it, make it happen. Who ever would have thought it was that simple? Yet my life is proof.”

Her faith and the can-do attitude instilled by Bricker’s adoptive parents catapulted the small and mighty powerhouse into personal and professional success, tackling roller-skating, volleyball, power tumbling and aerial gymnastics, quickly rising to the top of her field. As a young girl, Jen was captivated by Olympic gymnast Dominique Moceanu and tells of the emotional reunion when the two discovered they were biological sisters. Today, 29-year-old Bricker is an aerial artist, acrobat, and enjoys a successful career as a motivational speaker.

“My approach was simple: no hesitation, no fear, no worrying ‘what if?’ If an obstacle presented itself, I got creative and figured out how to get around it. It’s an attitude that I feel people aren’t taught, which is probably why I get asked for advice all the time. Life is an amazing journey if you’re not afraid to live it.”

*Everything Is Possible* is the incredible story of God working out His plan for Jen’s life from *before* day one. Readers follow Jen from the challenges of growing up different to holding

captive audiences in the tens of thousands. Readers will see what they can accomplish when they remove the words “coincidence” and “limitation” from their vocabulary. Filled with heart and spirit, as well as Bricker’s wit, wisdom, and no-holds-barred honesty, this inspiring true story points the way to purpose and joy. Nick Vujicic has written the foreword.
